

Veterans Day Parade Reception

Centerpiece Order Form

The annual Veterans Day Parade will take place on Saturday, November 5, 2016 in Downtown Milwaukee.

The parade is followed by a public memorial service and a reception at the War Memorial for all Veterans and military who have participated in the parade.

We are again offering the opportunity to remember special Veterans or groups in a unique way, by purchasing a floral centerpiece in their honor.

A card with your name and the name of your special honoree will be placed in the centerpiece. After the post-parade reception, all of the centerpieces will be taken to the VA Medical Center in Milwaukee, and displayed in the chapel and throughout the facility for hospitalized Veterans to enjoy.

If you would like to honor a special Veteran in your life, please send this form and a check or money order for **\$45.00** to:
